Board Order No. 132-77

REQUEST AND JUSTIFICATION FOR CHANGE

1. Necessity for change: During the construction phase of the project, it was requested by several property owners that additional sidewalk abutting their lot(s) needed replaced, due to either drainage problems or deterioration of the concrete. Also, one additional lot was placed on the project at the property owner's request.

2. Will proposed change alter size of the project? Yes X No _____

If yes, explain: The improvement boundaries were described by lots and one lot was added to the scope of the project.

3. Affect on operation and maintenance cost of this project: _____
